

A dining dream awaits at Cassidy's Restaurant

IF you're looking for the perfect place to enjoy a relaxing lunch with friends, or perhaps a cosy dinner with your nearest and dearest, then the newly opened Cassidy's Restaurant in Tralee offers the perfect solution!

Formerly The Cookery Restaurant, Cassidy's was opened in late September by husband and wife team Bernard and Geraldine Cassidy - who also run the successful and well renowned Finnegan's Restaurant on Denny Street.

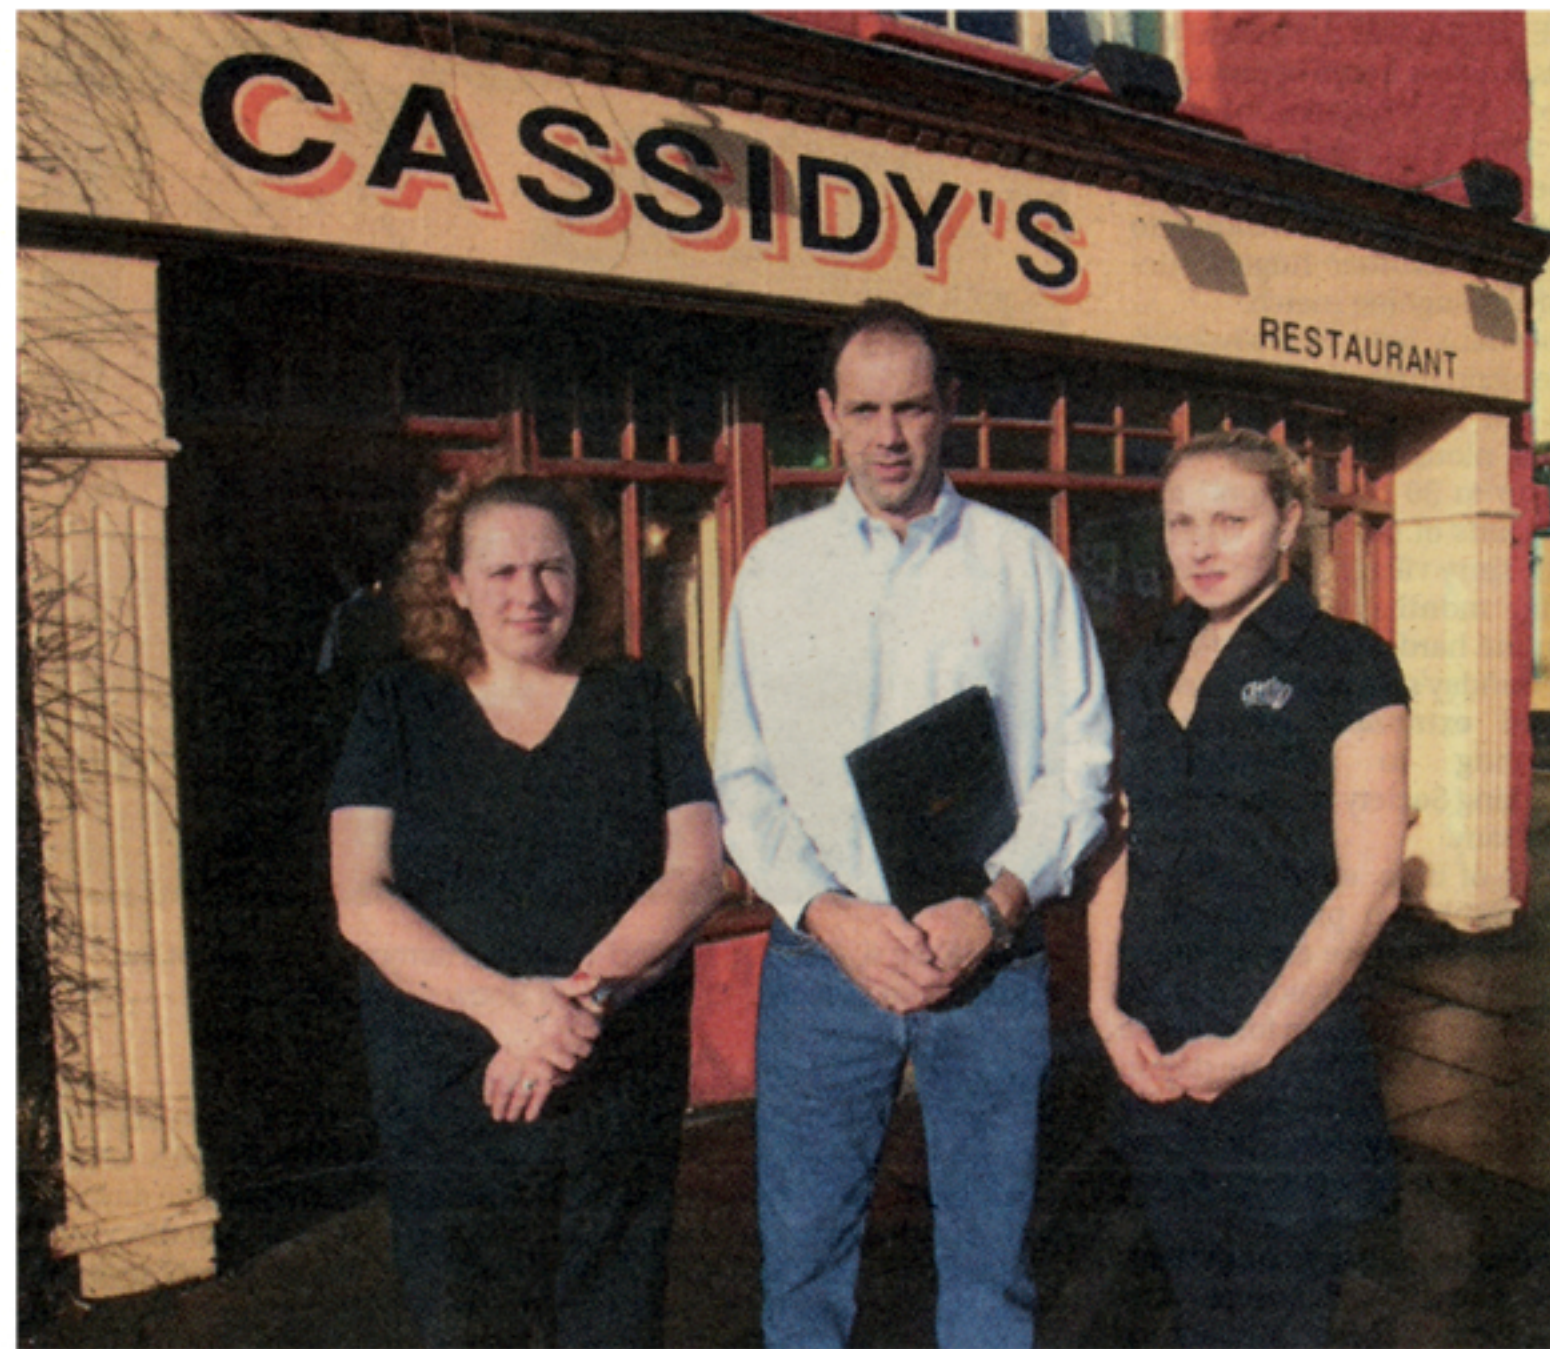

Already enjoying much success in the heart of Tralee town, Cassidy's Restaurant combines great food professional staff and the owners' invaluable experience to always create the perfect dining solution.

Whether you simply want to enjoy a well-earned lunch as you break from work, or fancy a more relaxed evening meal with friends, family or loved ones, Cassidy's offers the complete package!

Lunch is served from 12 noon each day, offering customers a superb choice of light snacks, vol au vents, sandwiches, soups and chowders through to the more substantial lunchtime specials such as chicken, meat and fish dishes.

Cassidy's evening menu, available from 6pm, also offers a fantastic variety to suit all palates, with some delicious options available.

The extensive main course menu, for example, allows customers to choose from a host of fish, chicken, duck, pasta, steak and lamb dishes,

while those with a sweet tooth can treat themselves to the mouth-watering desserts, including sticky toffee pudding, apple crumble, a selection of ice-cream and the hugely popular tiramisu.

Key to the success of Cassidy's Restaurant is the owners' insistence on always sourcing the freshest, locally produced ingredients for their menus, all of which can be traced to its supplier - guaran-

teeing only the best for customers.

Wine lovers are also spoiled for choice at Cassidy's, which boasts a very impressive international wine menu. Meanwhile, the restaurant also offers a full bar, allowing customers to enjoy all their favourite beers and spirits as they dine.

Cassidy's Restaurant also features a separate function room on the first floor, with

seating for up to 30 people, which provides an ideal setting for private functions. Birthday parties, christenings, first communion parties and a range of other functions can be catered for on request, again with a comprehensive menu available.

So next time you're looking to enjoy some great food, a cosy atmosphere and expert service, look no further than Cassidy's Restaurant, Tralee.
